Good Afternoon

Our Christmas Fundraising Campaign was a great success. The goal was to raise enough funds to upgrade and refresh our Chapel. Your generosity and kindness resulted in almost \$10,000 which allowed us to finally replace the original carpeting which was worn and tired. The new flooring provides a more modern clean look while at the same time the practical surface is safer for our residents, especially those in walkers and wheelchairs. It is also easier to keep clean and sanitized. All of us thank you from the bottom of our hearts ... residents and staff alike.

We have also started to replace the old chairs with new ones as our financial situation allows. The new seats are more comfortable with more secure legs and come with a material that is easy to keep clean.

This is a big step for us and has been a long time coming.

As most of you know, Wawel Villa is a not-for-profit charitable organization managing our Retirement Home on Clarkson Road and Turtle Creek Manor apartments on Lakeshore Rd West. We receive no direct funding assistance from the government as do long-term-care homes or hospitals. We rely entirely on the fees charged to our residents and tenants, which is why our only other alternative is donations from generous donors such as yourselves.

Please accept our sincere thanks and for thinking of us.
