

1 April 2020

Our mandated quarantine continues, and we would like to confirm that there are no cases of the Novel Coronavirus (COVID-19) at Wawel Villa.

We are still closed to everyone except for essential visitors who, before entering our building, must pass the active screening process which checks for:

- symptoms of fever/feverish, new or existing cough or difficulty breathing
- travel outside of Canada in the last 14 days or close contact with a person who has been outside of Canada in the last 14 days
- close contact with a confirmed or probable COVID-19 case

We are also taking additional steps to ensure the safety of our residents. Effective immediately we will be providing free laundry service and additional room cleaning to all residents at no charge.

To ensure social distancing in our dining room we have staggered our sittings and are offering tray service to the residents' rooms at no additional charge. To further comply with the stricter rules on social gathering, we have changed our activities to smaller groups of no more than 5 people and maintaining the 2-meter rule.

Family members who wish to arrange a virtual family visit by Skype or FaceTime please call our Activities Department (ext. 232) or email activities@wawel.org.

If you have any questions you may contact me directly.

Sincerely,

Jon Grayson, CEO
